

House, uni-coloured

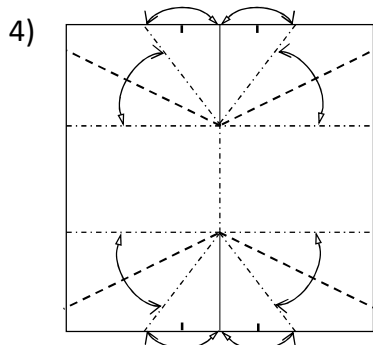

Mountain fold, press only softly.
Mark center points.

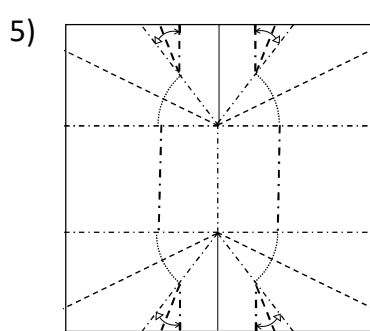

Make lines from marks to opposite corners, but mountain-fold sharply only until center fold. Unfold.

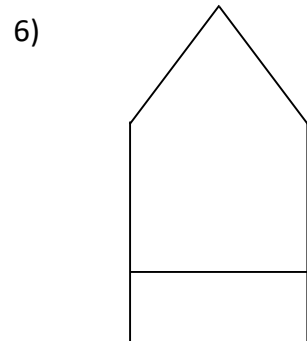

Add horizontal mountain folds, sharpen inner part of fold of step 1. Unfold.

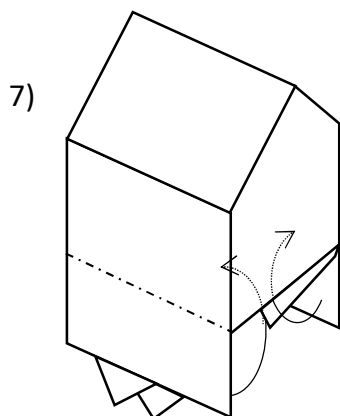

Make valley folds, and unfold. Make marks.

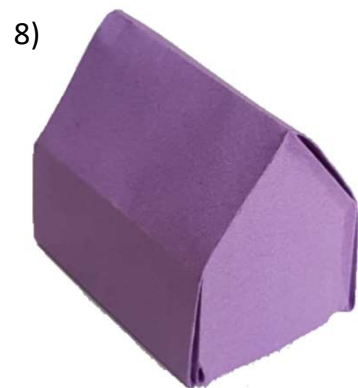

Vertical mountain folds from marks to existing mountain fold. Valley folds between them. Map inner endpoints of new folds to horizontal folds, and connect those new marks with mountain folds. Unfold everything.

Now fold everything together.

Finally, valley fold excess paper inside.

Completed house.
